

TOONTOWN AFTER DARK V4

Version 4 update notes and music selection

September 19, 2021

This Content Pack is family friendly.

Content Packs should be for designed for everyone in the community to enjoy. This Content Pack is free of things that may trigger phobias, contain no jumpscares, and do not contain things that would be considered “occult”. This Content Pack was made to be a fun way to celebrate the season of Halloween!

- No blood, gore, or jumpscares
- No creepy laughter in any soundtracks
- Cog explosions are not as bright, making it easier on the eyes
- Oversaturated textures are gone
- Fishing is difficult using this pack.
- Navigating mazes in Bossbot HQ may be difficult using this pack. Enter a course alone to find out if it works for you before doing a Back 9
- Some soundtracks found in this Pack come from games rated M (PEGI 18), but do not contain explicit lyrics or ideologies.

Toontown After Dark Version 4

- 2.7.0 Options menu support
- 2.8.0 Music support
- 2.9.5 Support
- Over 300+ texture changes (removal of textures dating back to 2012, darkening various textures)
- Every location in this Content Pack has a custom theme/music track now.
- New VP, CFO, CJ, and CEO (tweaks and various changes)
- All trolley games are now dark, except for the spotlight search trolley game (because it would hinder gameplay)
- Removal of blood from playgrounds and Sellbot HQ
- Optimizations to boost frame-rates for people on weaker hardware
- Streamer friendly soundtracks
- New Make-A-Toon textures
- The streets of Donalds Dreamland no longer have bright clouds
- Donalds Dreamland is no longer over-saturated
- Cog Bosses no longer have muddy wheels/tracks
- New cog fighting and boss themes
- Goofy Speedway is no longer an oversaturated mess
- The Brrrgh has had its snow darkened
- New estate items
- Removal of over pixelated estate .RGBs
- Updated Cashbot HQ and Cashbot Vault textures
- Various cog textures that were oversaturated have been removed
- Skelecogs have been darkened to match normal cogs
- New VP suit
- All cog bosses have their own themes.
- Cog bosses no longer have muddy wheels/tracks
- Skelecogs have been darkened to match normal cogs
- Sellbot HQ textures tweaked.
- Cashbot HQ updated with better textures.
- Bossbot HQ updated with better textures.
