

# Installing Content Packs for Toontown Rewritten

---

## Windows

1. Open Windows Explorer and locate your hard drive, usually labeled "C:/" if you don't have more than one drive.
2. Find "Program Files x86" (the number may be different for you), and then locate the Toontown Rewritten folder.
3. Drag the "resources" folder into the Toontown Rewritten folder located within "Program Files x86"
4. Launch the game!

---

## macOS

1. Open Finder
2. On your keyboard, click ⌘⇧G (command, shift, G)
3. Copy and paste "~/Library/Application Support/Toontown Rewritten", then hit Go.
4. Drag the "resources" folder into the Toontown Rewritten folder.
5. Launch the game!

---
